One Mama Duck plays hide-and-seek. One, two, three ducklings disappear, but the fourth little duckling . . . gets some help from his friends! Will Mama be able to find him when he's hiding behind Turtle, or Frog, or Fish?

Ollie, ollie, in free! Here's a happy, funny tale of friendship, cooperation, and the joy of play.

"Dawdle Duckling is up to his old tricks. Scenes of the hero's friends attempting to obscure the hero from his mother's view during hide-and-seek will have readers chortling." *Publishers Weekly*

In every family there is one dreamer, the one who swims to the sound of his own drummer. Dawdle is that duckling, always looking for fun, excitement, something new, whether within his imagination or outside in the wide world. But will he get more than he's bargained for?

A cheerful reassuring tale of youthful rebellion and parental protection--with an exciting surprise ending!

"Young, incorrigible human dawdlers should find that immensely satisfying." *Publisher's Weekly*
