YES on Measures Q and E

Oakland's Libraries and Schools

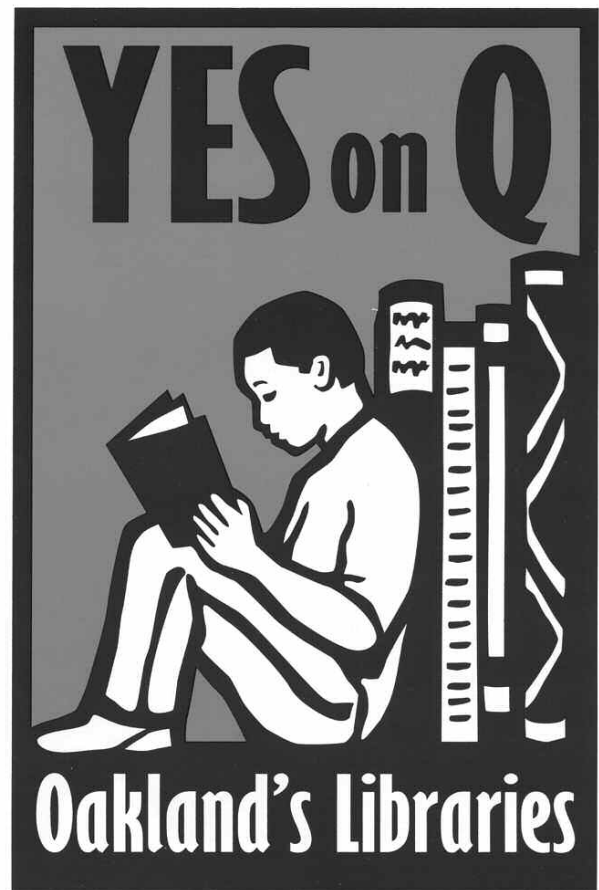

Two measures worth supporting...

Our libraries provide important services for Oakland students, families and seniors. Because of increased costs and reductions in funding, our libraries face severe cutbacks. **Measure Q** will:

- ▶ Keep libraries open
- ▶ Provide after-school programs and homework tutoring
- ▶ Continue children's services
- ▶ Maintain literacy programs
- ▶ Preserve free access to computers and the Internet
- ▶ Provide library services to public schools
- ▶ Maintain the African American Museum and Library

Every branch library in Oakland will receive funding from **Measure Q**. Every dollar will stay in Oakland and be subject to annual audits and independent oversight. **Measure Q** will cost property owners less than 10 cents a day. Please vote Yes on **Measure Q**.

For more information please visit www.saveoaklandlibrary.org or call **510-548-5729**.
