

IMANI PLEDGE

WHEREAS in 1974, the youth in the city of Philadelphia took the bold step forward to ensure that following generations would not have to experience the self destruction and agony of gang warfare. We honor them for this and for keeping their word.

WHEREAS inasmuch as our ancestors, parents, teachers, caregivers, elder community members, and others that have shed blood that we might acquire an education. WE give our word to refrain from fighting during school, after-school, and inside of school and we encourage those that we know to do the same.

WHEREAS, we, too, are a generation that is proud and want to succeed. On this day, I, _____, sign this document to
Please print clearly
let it be known wherever it needs to be known that I care deeply about our community and will do all in my power to return us to our traditional greatness.

LET MY WORD BE MY BOND.
